Producers Comment

Producing a pantomime is not a one man (or woman) effort. it relies on a team of people ,from all walks of life, getting together and giving their time and commitment to the show. This year I have been lucky in having a good cast and backstage crew who have pulled together and made this show so enjoyable to produce.. We face a difficult time ahead with the alterations to the hall., but I hope you, our audience will stick with us and come and see our future shows. If you would like to come and join us please see our secretary, Nick Kearns (he's running the bar). If you would like to be on our mailing list please contact Gill Walker on Win.
