Welcome to the Show !!

We would like to extend a warm and hearty welcome to this years panto ! We may have been quiet with this being our only show this year but we have been cooking something up that you will all enjoy be you young or old !

Once more to the stage dear friends, once more was the clarion call and we have all come to fill it. This evenings performance is based on the classic tale of Cinderella but brought bang up to date. Cinders has only one consuming passion and that is to play football for England but all this is changed when the chance of going to the Royal Ball comes up ! However all is not a bed of roses in getting there if her Wicked Step mother or Ugly sisters have anything to do with it ! Please feel free to hisss and boooo this loathsome trio !

This years panto has brought many new people along who have never been on stage but have taken courage and come along for the fun ! However the stage is not the only part that someone can contribute. Without lighting or sound co-ordination the stage would be dark and there would be no music. Without the backstage crew the sets would not appear and the actors and actresses would have no props. The panto has been also written in house by Anne O'Brien so if you feel you want to do something but don't fancy the limelight just yet there is still something to do !

And finally this programme could not have been brought to you without the kind support of **Daewoo Motors** in Portswood, Southampton. They have stepped into the breach for us and have come up trumps !

And the Future !

Even as this is going to press there are plans for further plays for next year. Richard Gomm will be producing a play called "Outside Edge" by Richard Harris. There are parts for several male and female roles. Readings, auditions and rehearsals will start on Tuesday 9th January 2001 at the Jubilee Hall. Richard is playing Veronica in the panto this evening and will quite happily step out of character if you would like to discuss anything with him during the interval. Richard can also be contacted on

As the society is a living breathing entity there will be an Annual General Meeting on Wednesday 18th January 2001. All will be welcome including non-members.
