Costumes EILEEN GEORGE
Stage Manager PAMELA WOOLFORD
Props MARGARET BENNETT & EILEEN GEORGE
Lighting LAURIE GEORGE & PETER SWEET
Front of House STACEY SCAMMELL & MEMBERS and FRIENDS

ALISON WOOLFORD

A relative newcomer, married to David. Alison has already made her mark with appearances in Music Hall, 'Rock-a-Bye Sailor', and last year's Festival entry - 'Bermondsey'. She is about to launch into a producing role with 'Tomb with a View', our next production.

GILL WALKER

Gill has a list of appearances too numerous to specify. She has handled everything from the extremely demanding role of 'Rose' to one half of the comedy duo of the Ugly Sisters. Gill is both talented and dedicated.

ROBERT THOMPSON

Probably our best known comedian but he has demonstrated adequately his straight acting ability in, for instance, 'Dangerous Corner' by J.B.Priestley. Still a very young man, Robert is, nevertheless, one of our longest standing members.

DAVID WOOLFORD

Apart from being our current Chairman, David has contributed his many talents to several productions in the past. His singing has greatly enhanced Music Hall and Pantomime, and his scenery painting is a tremendous asset.

NICK BOATWRIGHT

In his first major role with The Worthy Players, Nick fulfills the promise of his comedy talents already displayed in last year's Music Hall and the wonderful cameo role as the drunken vet in 'Key for Two'.

VALERIE SWEET

Probably best known for her comedy, but Valerie has had the full range of experience from Drama with a 'D' to the other half of the Ugly Sister partnership. It is rumoured that she got the part of Ruth by sleeping with the Producer

We would be delighted to see you again at our future productions:

JUNE 19th/20th/21st 'TOMB WITH A VIEW'
SEPTEMBER 10th/11th/12th/13th & 20th 'OLD TIME MUSIC HALL'
DECEMBER 5th/6th 11th/12th/13th PANTOMIME

We keep people warm in all sorts of places

You'll find Dimplex keeping people warm in all sorts of places — from butchers to banks, homes to hotels, pubs to priors. In fact there is hardly a building that exists where Dimplex heating couldn't be used in one form or another.
