

THE WORTHY PLAYERS

PRESENT

A COMEDY

BY

MICHAEL PERTWEE

Dear All

We are very pleased to see you once again at our Autumn production. We hope you enjoy it and will be tempted to take advantage of our 'special offer' for next year of four tickets for the price of three. If you would like to know more, please complete and detach the slip at the end of the programme, and hand it to any of the Front of House helpers.

If you came to our last production of "Music Hall" you will be pleased to hear that we were able to raise two hundred pounds on our Charity Evening. This was a great achievement.

As usual we are still looking for new members, especially MEN! (nothing personal). So young and old, if you would like to join us rehearsals for our next production, Pantomime, will take place here on Tuesdays and Wednesdays from September 22nd.

Talking of Pantomimes, even if you don't wish to join us, do bring all the family to see "Babes in the Magic Wood" by David Wood on December 11th, 12th, 18th & 19th with special matinee performances on the Saturdays.

We look forward to seeing you then.
