**Welcome to The Worthy Players' second *Radio Variety Show*,
produced by David & Alison Woolford in conjunction with
The Worthys Festival.**

**With our Pantomime rehearsals already under way and the cast
learning their lines, this style of production allows the team to read
their scripts (*like what they do on the wireless*) with YOU as
the studio audience.**

**Much of the material for the sketches has been written by
members of the club. We hope you enjoy them all.**

The Worthy Players have been putting on productions in the Jubilee Hall for some 46 years (You can probably tell by looking at some of us!) and there's no sign of us stopping yet. Inevitably, members come and go over the years, so we're always on the lookout for new talent.

Any age, any skills; there are roles to fill, both on stage and behind the scenes. If you fancy being part of the fun-loving social group, do speak to any of us or make contact through **www.theworthyplayers.co.uk**

Our special thanks go to The Jubilee Hall Committee, Winchester Theatre Arts, The Parish Magazine, ADH Printing, The Hampshire Drama Network and Wessex Home Improvements for all their support in helping us to put on this production.
